In your letter to us dated February 14, 2002, you asked for a refund of \$841.00, on the presumption that you sent us check Number 205457 in the amount of \$1,116.00. However we never received that check. The check we received was #205453, in the amount of \$325.00. Therefore we used the authorization to charge the Deposit Account.

I am sending you the print out of the check we received and used for this application. I am also including a copy of the transmittal letter that has our stamp on it saying we did not receive the Check for \$1,116.00.

On further research, I have found that the check was used to pay for a Trademark #76/349380 and the remainder was credited to your deposit account. On 12/20/01. I see now that the wrong check was put in the wrong envelope, but the result is the same. You received your \$841.00 refund.

Thank You, Sincerely,

Eleanor F. Kurtz
